

## **SECTION II: COMMUNITY RELATIONS POLICY 2100**

### GIFTS AND DONATIONS

The School District, as a publicly supported institution, may accept gifts, grants, donations, contest earnings, awards and title to property, but such acceptance shall in no case be considered as an endorsement by the School District of a product or business enterprise. The Superintendent or designee and site principals may accept a gift or donation as long as its estimated value does not exceed \$2,500.00. If the estimated value of the gift, donation, contest earnings or award exceeds this amount, then the Board of Education shall consider whether to accept it. Once accepted the gift becomes the permanent property of the School District.
