Math Tutoring Schedule

If your child is in need of additional assistance in math this year, Broken Arrow High School math teachers have made themselves available to help students every morning before school, except on Wednesdays, and every afternoon after school, except on Fridays. Visit the school website for the [complete schedule](#).

Project Graduation Restaurant Nights

For more than 25 years, Broken Arrow High School's Project Graduation has given graduating seniors a way to celebrate their achievement with classmates in a supervised, fun and safe environment. In order to host the event and for it to remain free for all seniors, the Committee on Life at Broken Arrow Senior High (COLABASH) is striving to raise \$40,000 for food, games and other activities. Here are some upcoming restaurant nights that will help support the event:

Jan. 23 from 4 p.m. to 8 p.m.
Andolini's 222 S Main St, Broken Arrow
Mention BAHS and 10% will be donated to Project Graduation

Feb. 27 and Apr. 10 from 5 p.m. to 10 p.m.
Sonic at 71st & County Line, 71st & Aspen and 121st & Elm
Ten percent of all purchases will be donated to Project Graduation.

Graduation Cap and Gown Packages from Josten's

All seniors are required to purchase the cap and gown package from Josten's in order to participate in the graduation ceremony at the BOK Center. Orders may be placed online at www.jostens.com or at 1-800-JOSTENS.

Advanced Placement Exams

If your child is currently in an AP course, please be sure they register to take the AP Exam this spring. While there are many indicators that impact a student's ability to graduate from college, taking and passing an AP test with a 3 or higher greatly influences a student's chances of graduating from college. Additionally, scoring well on an AP exam can help students earn college credit for their high school class, saving a significant amount of tuition. Scoring at least a 3 on an AP exam will also make students eligible for AP honors, and many colleges seek students with this status.

Online registration is currently open and will close on Feb. 21. To register, students should visit www.TotalRegistration.net/AP/370470. All questions must be answered, and registration is not complete until students have printed confirmation provided at the end. Exams are \$99 and discounted \$25 per exam for students taking multiple exams. Students on free/reduced lunch will receive a discounted price of \$30 per exam. Other financial assistance is available and applications are in the main office. Contact kgarrett@baschools.org for more information.

Dates to Remember

Sadie Hawkins Dance – Jan. 26
Gym Night - Feb. 18
Spring Fest – Apr. 6
Prom – Apr. 27
Graduation – May 8
