Class of 2019 Graduation to take place May 8

Broken Arrow High School's senior class will walk across the stage at the BOK Center to receive their diplomas at 7 p.m. on Wednesday, May 8, 2019.

For the past few years, the graduating class has exceeded the 1,000 mark making the move to a larger venue a necessity. With a seating capacity of almost 16,000, the BOK Center provides seating for family and friends of seniors who wish to attend the ceremony. Students and their families will be provided with more details about graduation later this semester.

Support Project Graduation

For more than 25 years, Broken Arrow High School's Project Graduation has given graduating seniors a way to celebrate their achievement with classmates in a supervised, fun and safe environment. Upcoming College Visits at BAHS

Each month, Broken Arrow High School's College and Career Center hosts representatives from various colleges on the high school campus. These meetings are held in the BeyondBA office unless otherwise noted, and they provide a great opportunity for students to talk with and ask questions of college representatives.
