## SAT and Virtual Day April 9

April 9 will be a virtual day for sophomores and seniors, while juniors are on campus taking the SAT.

All juniors should report to campus on April 9. The test will be given online, so students should bring their fully charged chromebook along with their chromebook charger. Juniors will have access to online calculators, but they may also bring an SAT approved calculator. The list of approved calculators can be found [here](#).

On April 9, all sophomores and seniors will be provided with virtual assignments from their teachers and should not report to campus.

---

## Support Project Graduation

For more than 25 years, Broken Arrow High School's Project Graduation has given graduating seniors a way to celebrate their achievement with classmates in a supervised, fun and safe environment. This year the event will be held at Incredible Pizza, and in order for it to remain free for all seniors, the Committee on Life at Broken Arrow Senior High (COLABASH) is striving to raise \$40,000 for food, games and other activities.

If you would like to support Project Graduation, please participate in [local restaurant nights](#) or consider mailing a check payable to BAHS to 1901 East Albany Street. A donation of any amount helps!

---

## Graduation Cap and Gown Packages from Josten's

All seniors are required to purchase the cap and gown package from Josten's in order to participate in the graduation ceremony at the BOK Center. Orders may be placed online at [www.jostens.com](http://www.jostens.com) or at 1-800-JOSTENS.

## Dates to Remember for 2019 Graduates

The spring semester is a busy time for Broken Arrow High School seniors in preparation for their upcoming graduation. Visit the district website for a [complete list of events](#).

The senior board will also be raising money to help with graduation expenses with their annual Egg My Yard event. Patrons can place an order to have eggs placed in their yard after dark on the night before Easter. For more information, contact Shelly Swisher, senior board advisor, at [sswisher@baschools.org](mailto:sswisher@baschools.org).

---

## New Math Tutoring Schedule

If your child is in need of additional assistance in math this year, Broken Arrow High School math teachers have made themselves available to help students before and after school. Visit the school website for the [revised schedule](#).
