

Sick Leave

Sick leave will be provided to support employees at the rate of one (1) day of sick leave per month of employment, depending on the length of their contract. For example, a support employee on a ten-month contract will accrue one (1) day of sick leave per month, for a total of ten (10) days sick leave for the fiscal year. Pay for sick leave for support personnel is limited to the number of hours per day for which the employee is regularly employed. For example, a bus driver who works four (4) hours per day will be paid for a maximum of four (4) hours of sick leave per day and that four (4) hours will constitute one day of sick leave for that employee.

Sick leave is interpreted as the time when personal illness, accidental injury, pregnancy or personal illness in the immediate family keeps an employee from being present to conduct his/her regular daily work. Immediate family is defined as spouse, parent, sibling, child (this includes foster child), grandparent, or grandchild and corresponding in-laws and corresponding step relatives.

Any misuse or use of sick leave for other purposes may result in disciplinary action or termination. The district reserves the right to require acceptable evidence of sickness or injury before allowing sick leave benefits, particularly at the following times.

- Employee is absent for three (3) or more consecutive days
- Days immediately preceding or following holidays, or non-work days other than weekends.

If an employee fails to provide the requested documentation for their illness/injury, resulting in absences in excess of their annual sick leave accrual, this could be considered excessive absenteeism and a misuse of sick leave.

Sick leave may also be used for dental, physical and eye examinations for employee and dependents in the immediate family. It is the responsibility of the employee to enter the absence in Frontline.

Support employees may use no more than 120 sick days annually, (including that received from the sick leave sharing bank), as excess sick days are banked for retirement purposes only.

When the employee severs connection with the district for any reason, all his/her accumulated sick leave is cancelled. In the event of reemployment in the district within six (6) months, accumulated sick leave will be reinstated. If he/she is employed by another school district, his/her accumulated sick leave may be transferred to the receiving district up to sixty (60) days. Accumulated sick leave can be transferred into our district from another school district up to sixty (60) days.

Maternity Leave

Full-time employees of the district who have been employed by the district for at least one year and have worked at least 1,250 hours during the preceding 12-month period shall be entitled to six (6) weeks of paid maternity leave following the birth of the employee's child. The six (6) weeks of paid maternity leave shall be used immediately following the birth of the employee's child. If your child is born during the summer months or a holiday break (or your leave overlaps with a school break), the law requires that these non-contract days be included within the six weeks available to you. The six (6) weeks of maternity leave shall be in addition to and not in place of sick leave due to pregnancy pursuant to 70 O.S. § 6-104. You must use this maternity leave before any other paid leave. A school district employee taking maternity leave pursuant to the new law shall not be deprived of any compensation or other benefits to which the employee is otherwise entitled.

The district shall file claims with the State Board of Education for reimbursement of expenses related to providing eligible employees with paid maternity leave.

With regard to any shared sick leave program which is currently offered or which may be offered in the future by the district, maternity leave provided must be used prior to any shared sick leave available under the district's program.

Parental Leave

The district will provide full-time employees who have been employed by the district for at least one year and have worked at least 1,250 hours during the preceding 12-month period shall be entitled to one (1) week of paid leave immediately following the birth of the employee's child and to care for such child, or immediately following the adoption or foster care placement of a child, for a maximum of one (1) time per contract year. If your child is born or the adoption or foster care placement occurs during the summer months or a holiday break (or your leave overlaps with a school break), these non-contract days will be included within the week available to you. Parental leave is not in addition to the six (6) weeks of paid maternity leave.

Personal Business Leave

The district shall provide for all support personnel three (3) days of unrestricted personal business leave per school year. If hired within a school year, this amount will be prorated according to hire date.

Personal days may be taken only after ninety (90) calendar days of employment with the district, except in extenuating circumstances with prior supervisor approval. Requests for personal leaves shall be made in advance of time needed, when possible. Personal leave may not be used before or after a holiday, except with prior supervisor approval.

Support employees will have the option of either rolling over their unused personal business leave days to sick leave or receiving payment at the non-certified substitute rate for each unused personal business leave day.

An additional three (3) days of personal business leave with full pay can be utilized each year for military family leave. Formal documentation of the occasion (graduation, deployment, return to stateside, etc.) must be provided to human resources at least five (5) business days in advance of the absence. Proof of attendance shall be given to the site principal or supervisor upon return. This leave may be utilized for immediate family members. For this purpose, immediate family member is defined to be husband, wife, son, daughter, mother, father, brother, sister, foster children, grandparent, grandchild, and corresponding in-laws and/or step- relatives.

The District reserves the right to require proof of the death before allowing bereavement leave.

Jury/Legal Leave

Jury duty should be submitted through Frontline with a copy of the jury summons attached. Legal leave may also be requested for legal proceedings affecting employment, the school, or the district. Personal legal proceedings do not fall under jury/legal leave and employees own personal or vacation leave may be utilized.

Military Leave

It is the policy of the district to provide leave for support employees who are a component of the armed forces in the United States including members of the National Guard, when that support employee is ordered by proper authorities to active duty or service. Military leave shall be without loss of status, pay, or benefits during the first thirty (30) calendar days or the first thirty (30) regularly scheduled work days for support employees, or not to exceed two hundred forty (240) hours, of such leave of absence in any federal fiscal year. The district will also comply with all other rights guaranteed under state and federal law.

Vacation Leave

Full-time employees who are contracted and working twelve (12) calendar months, are entitled to vacation. Vacation must be requested three (3) days in advance of the time needed and requires supervisor approval. In extenuating circumstances, the supervisor may approve vacation without prior notice, if it does not interfere with the operations of the district. Employees who work less than full-time assignments are not eligible to receive vacation benefits.

Employees may accrue a maximum of 240 hours (30 days). No further vacation time will be earned until the employee has used vacation time to reduce the number of accrued hours below 240 (30 days).

Employees on unpaid leave do not accrue vacation benefits.

Unless otherwise provided by an employee’s contract, upon termination of employment, each employee shall be entitled to be paid for all accrued unused vacation days at the employee's daily rate for the current school year.

Vacation will accrue from the first month of employment. Vacation will begin to accrue on the last Monday of the month following start date.

To facilitate a smooth transition in staffing, vacation time shall not be taken during the notice period prior to voluntary employment termination, unless an emergency situation is documented. Such exceptions require approval by the Human Resources department. Employees in full-time assignments shall be allowed vacation time annually according to the following schedule:

If the request for employee association leave is granted, the board of education will provide definitive beginning and end dates for the approved leave of absence.

During the employee association leave period, the support employee's position with the district will be maintained without advancement on the salary schedule and without accrual of sick leave, personal business leave, or personal leave. Furthermore, the employee on leave will not accumulate service credit within the Teacher's Retirement System of Oklahoma.
