

FIND YOUR FUTURE

KEYS TO A SUCCESSFUL TRANSITION FOR STUDENTS WITH DISABILITIES AFTER HIGH SCHOOL

- ▶ Learn about resources available for students with disabilities during and post high school
- ▶ Meet with representatives from community agencies and post-secondary educational institutions
- ▶ Discuss the academic and vocational support services available for students
- ▶ Learn about differences in the delivery of support services in higher education
- ▶ Receive information about procedures to follow as your student transitions into post-secondary education or the workforce
