PRE-KINDERGARTEN FAQs

Who attends Pre-K?
Students who will be 4 years old by Sept. 1, 2023.

What is the cost for attending Pre-K in Broken Arrow Public Schools?
There is no cost to parents for their 4 year old to attend Pre-K.

Where are the Early Childhood Centers?
Arrow Springs ECC - East of Elm between 101st and 111th
Aspen Creek ECC - On 111th between 145th E. Ave. and 129th E. Ave.
Creekwood ECC - 61st and Lynn Lane
Park Lane ECC - East on 71st on Shelby Lane

What are the hours for the Early Childhood Centers?
Parents may drop off Pre-K students between 8:15 and 8:45 a.m. Parents/Guardians pick up students between 2:20 and 2:50 p.m. This flexible arrival/pickup period is designed to accommodate parents who may have children at other sites. Additionally, parking lot congestion increases when all parents arrive at the same time. Please be patient as it takes a few weeks for everyone to find the best time to arrive for their family.

Is there a B&A Connections program at the Early Childhood Centers?
Yes, on a first-come, first served basis. Enrollment for B&A Connections is online through the B&A Parent Portal on Friday, May 12th. Please visit www.baschools.org/connections for more information.

Are there Pre-K classrooms in the elementary schools?
At this time, Rhoades, Lynn Wood, Arrowhead and Wolf Creek will each have one Pre-K classroom. Liberty will have two Pre-K classrooms. We call these “solo” sites and their hours differ from the ECC hours. Solo sites arrival times are 8:40-8:55 a.m. and dismissal is 2:35-3:15 p.m. (these times may vary slightly at each site). Due to DHS requirements at elementary sites, B&A Connections is NOT available for solo Pre-K classes. There are only 20 spots at each solo site. If your address is within the elementary boundaries of these sites and there are spaces available, you will be contacted by enrollment via email to confirm your child’s placement. If your solo site is full, you will be placed at an ECC based on those boundaries. If you have questions regarding your child’s placement, please contact enrollment at 918-259-7400.

Is transportation provided for the Pre-K students?
No. Safety is a top priority for the district and transporting students who are 4 years old requires extensive safety equipment. It is not feasible for us to provide safe transportation and still provide high caliber, full-day early childhood education.
PRE-KINDERGARTEN FAQs

Are there attendance boundaries for the ECC’s?
Yes, attendance boundaries went into effect in 2017. Please refer to www.baschools.org/boundaries for approved boundaries. To attend the programs at Arrowhead, Liberty, Lynn Wood, Rhoades or Wolf Creek you must be in that school’s elementary boundaries.

Is there room for all children who apply for Pre-K?
Placement will be dependent on geographic boundary and site availability. We will have a wait list if all available spots are full. The earlier you enroll, the better! Enrollment begins March 1, 2023! Please visit baschools.org for enrollment links.

Where do I enroll my child for Pre-K?
Enroll online at baschools.org (click departments, then click enrollment services). Contact the enrollment center for questions at 918-259-7400. If you do not have access to a computer or device to enroll online, please visit the enrollment center at 210 N. Main St.

What documents do I need to enroll my child for Pre-K?
On our district website under the “Parents” tab you will find all the details about enrollment and the documents you need.
- Birth certificate or other document that can verify student’s date of birth

- Proof of immunizations
- Proof of residence (current gas, water, or electric bill in the parent/legal guardian’s name)

When does Pre-K start school?
Pre-K students start school two days after all other students in the district. This allows each child to receive a screening at their site. The screenings allow administrators to form more balanced classrooms. Once your child’s enrollment has been approved, you will receive an email about how to schedule the screening for your child. Once the school board has approved the upcoming school year’s calendar, you will know the exact start date for Pre-K.

How many children are in each class?
Each class of 20 students has a certified early childhood teacher and a teacher’s assistant.

Will breakfast and lunch be provided?
Yes. Parents are encouraged to complete the free and reduced meal application at baschools.org. Students are welcome to bring their own lunch from home. If your child has food allergies, please make sure you communicate with the health office and with the teacher.

PRE-KINDERGARTEN FAQs

Can I enroll my 5 year old in Pre-K and not Kindergarten?
Yes. You may receive follow-up communication from enrollment or the Executive Director of Teaching and Learning to confirm you are aware your child is eligible for Kindergarten, but your wish is to give them a growth-year based on age or maturity.

Does my child have to be potty trained to attend Pre-K?
Your child will need to attend to their own toileting needs. If your child requires help with self-cleaning, you will need to come to the school to assist your child. Occasionally, accidents happen, so we encourage ALL students to have a clean change of clothes in their backpack.

Does my child have to take a nap in Pre-K?
The learning that happens through purposeful play will make our students tired. A quiet rest time, known as “brain break,” will be offered. Your child will need a blanket (no sleeping bags) that will be sent home every Friday for laundering. Your child will not be required to nap, but will be asked to quietly engage in an activity if they do not fall asleep. A small stuffed animal (a.k.a nap buddy) is allowed if it will fit in a small lunch size paper bag. The animal is for snuggling not playing.

If my child has a diagnosis from a doctor that may affect their learning, what do I do?
If possible, upload the doctor’s diagnosis with your enrollment paperwork. If you cannot upload the paper work, please take the paperwork to your closest ECC and the front office will upload the paperwork and email the paperwork to special services. If you have additional questions, please call Special Services at 918-259-5700.

What will my child be learning?
