Semester Report Cards

Report cards for BAHS students are now available in [Home Access Center \(HAC\)](#).

These reports cards will not be printed and sent home with students. Please visit the [HAC webpage](#) for information on how to register and use HAC.

Questions? Please contact your student's grade-level office.

Beyond BA

Parents and students should visit the College and Career Senior support page for help with post high school planning. This page will be updated regularly throughout the year with new information and is the best place for seniors to find resources and frequently asked questions! www.baschools.org/collegeandcareer

Senior Information

Seniors are still able to purchase a cap and gown package or other senior items directly from Jostens. Orders may also be placed [online](#) or at 1-800-JOSTENS. Be sure to place your order as soon as possible to allow for any delays in shipping.

Librarian's Corner

The library at Broken Arrow High School has been busy in this unconventional year. Find out what they have been up to in their latest [newsletter](#).

Personal Financial Literacy for Seniors

Seniors will complete the Personal Financial Literacy graduation requirement through their advisory class this spring semester. Students who are taking college classes or Tulsa technology classes during advisory time will have a virtual advisory class in their Canvas account to complete the requirement.

If your student has completed the requirement through Foolproof, they can email their counselor a screen shot of their account. If they have already done that, they do not have to do it again.

Vanguard Electives 2021-22

Current 10th and 11th grade students will have the opportunity to enroll in four NEW electives that will be held on the Vanguard Academy campus. Vanguard Academy is BAPS new STEM/Innovation facility located a quarter mile east of the BAHS campus.

Electives offered for the 21-22 school year include unmanned aerial vehicles (drones), EnLIGHTen (renewable energy), Intro to Careers and Technology, and Outward Bound (kayaking, rock climbing, fishing, etc). More info about these electives can be found in the high school course catalog that will be released soon.

Questions? Please contact Jason Jedamski, Vanguard Academy Director, at jjedamski@baschools.org.

Dates to Remember

Distance Learning (ALL SITES) – Feb. 1-5
Presidents' Day (NO SCHOOL) – Feb. 15
Gym Night – Feb. 15
Spring Break – Mar. 15-19
Graduation – May 20

1901 E. Albany | Broken Arrow, OK 74012 | 918-259-4700 | Fax: 918-355-
