## High School Enrollment for 2021-22

The [2021-22 high school course planning guide](#) can be reviewed for a list of offered courses. To help select appropriate courses, the students can download the following high school graduation checklist from the State Department's website:

[Students Graduating in 2022](#)

[Students Graduating in 2023](#)

[Students Graduating in 2024](#)

Current unofficial transcripts are now available in each student's [Home Access Center \(HAC\)](#) account. A review of the transcript will assist students and parents in seeing what courses students have successfully completed so that they can better plan what students still need to take in order to satisfy graduation requirements while exploring their own individual interests. [Enrollment videos](#) can be viewed on the district's Youtube channel to help students and parents become more familiar with the wide variety of high school academic courses.

Once students have made their course selections, parents will be able to review the requests by logging in to their child's HAC on Thursday, Feb. 25 and Friday, Feb. 26. Parents who agree with their child's choices and have no further questions may simply respond to an email from their child's advisory teacher and let them know that they agree with their child's course selections and do not need a conference. Parents who have questions about course selections, please contact your child's counselor to schedule a conference. Counselors will be visiting with their students individually March 1 through March 12 and March 22 through March 31.

Parents of Broken Arrow Virtual Academy students, please look over the [Virtual Enrollment Process](#) and complete the 3 steps prior to contacting your child's counselor. Counselors will be scheduling conferences for their virtual students during our Individual Career Academic Plan (iCAP) nights on Thursday, March 4 and Tuesday, March 9. Visit the [counselor corner](#) webpage in order to contact your child's counselor. Please note that the current senior counselors will be the counselors for next year's sophomores. If you have any questions, please contact Kristy Smith, Assistant Principal, at [kristysmith@baschools.org](mailto:kristysmith@baschools.org).

---

## Local Scholarships for Seniors

[Local scholarships](#) are now available for Broken Arrow High School seniors. The deadline to apply for these scholarships is March 12, 2021. See the [website](#) for more information.

---

## AP Exam Balances Due

All balances for Advanced Placement exams are now due. If you are unsure whether or not you have a balance, please reach out to your AP teacher. If you are experiencing difficulty with making payments and would like to establish a payment plan, please email Vondal Lee at [vlee@baschools.org](mailto:vlee@baschools.org). All exams not paid in full or on a payment plan will be canceled on Feb. 15.

---

## Earn an Associate's Degree from TCC

Applications are now being accepted for current sophomores to apply to the district's Dual Credit to College Degree program at Early College High School. This program is open to all 10th graders and provides an opportunity for students to earn an associate degree at the same time that they are completing high school. The deadline to submit the online application is Feb. 28. Visit the [website](#) for more information.

---
