Welcome Back!

Although this year will begin differently than planned, we are excited to welcome you to the Broken Arrow High School family and look forward to having your children back at school! As a parent or guardian of a student at BAHS, we want you to be informed of all of the news and activities across our campus. Throughout the year, we will be sending you this newsletter with reminders, important dates and other information that will help you support your child.

Please reach out to us with any questions or concerns you may have. Our staff is here to help you and your child navigate the high school experience, especially during these uncertain times. We are glad you and your family are a part of BAHS!

Virtual Passport to Success

Parents/guardians will need to complete a digital checklist of items, which include residency verification, Chromebook insurance, free and reduced lunch forms and parking permits in order to receive their child's schedule. The checklist will be available beginning Aug. 20.

To access the checklist, parents/guardians should log in to their child's Canvas account using the student's credentials. After completing the checklist, parents will be asked to provide a current email address, and school sites will directly email their child's class schedule to them. BAHS will begin sending schedules a week prior to school starting.

SAT Testing for Class of 2021

Due to recent budget cuts at the state level, the Oklahoma State Department of Education will not be funding a fall SAT for incoming seniors who missed taking the test during the state assessment window due to school closures last spring. The SAT test has been historically funded by the OSDE. Therefore, there will be no school day SAT test for incoming seniors this fall. Parents and students can visit the [SAT/College Board website](#) to register online for the SAT test. [Available test dates](#) are also listed on their website.

PTSA Membership

Purchasing a [PTSA membership](#) for your family is a quick and easy way to support your child! These funds contribute to grants for BAHS teachers and also directly impact and enrich your child's life through senior scholarships and other student opportunities.

We can do more together than apart!

2021 Yearbook

The 2021 yearbook is on sale now for \$65, the lowest price of the year! Order now at jostens.com to reserve your copy. A historical year means a historical book! Yearbook students will be working hard to cover everything that happens this year, on campus and off.

If you ordered a 2020 yearbook and have not received it, please stop by the main office during regular office hours at your convenience. If you are unsure if you ordered, a link to the preorder list is available [HERE](#).
