Students are required to eat on-site. USDA does not allow parents to pickup meals for children. All services closed July 4. If students are participating in activities at any of these sites (B&A, summer schools, camps), breakfast and lunch will be provided to them during their scheduled meal times.

Meals are the same for all children regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of meal service. The USDA restricts adults from eating from a child’s plate, but parents/caregivers may purchase a meal for $4.50 at the school sites only. Menus are subject to change.

Broken Arrow Public Schools is an equal opportunity educational institution.
