June 1, 2023	Required annual Returning Student Registration moves to Enrollment Center (PK-8th only) and will return to sites when they reopen in August. Parents may continue RSR at BAFA and BAHS during the summer.

*Returning Student Registration (RSR) is required annually for all BAPS students. This process not only verifies residency, but serves as the annual health form/immunization review, annual FERPA acknowledgment, captures economically disadvantaged status, transportation needs, virtual academy interest, address changes, and allows families to update their phone numbers, emails, emergency contacts, etc. Accurate student data is extremely important to the district.

***Please note: All enrollment services can be completed online with the exception of immunization exemption forms. Original forms are required by the Oklahoma Health Department and must be brought to the Enrollment Center.*
